- Review, Refine and Develop Processes and Practices to that enhances the value and increases membership, Joe Childs

8. Open Floor Discussion

- We should have a subcommittee to look at alliances. Should the decision be the executive committee or the board as a whole?
- PLMA has been an Event Driven Organization. Can we do more?
- Has the organization considered regional meetings?
- The current conference is an expensive event to attend twice a year. What can be done to keep costs down and make it more available/ accessible?
- Joe Nofti and Ross Malme volunteered to manage and run regional chapters of PLMA if we move in that direction
- Beltway people are asking what the DR industry wants to see in the next administration
- We need to enable information exchange on marketing, hardware technology, DRMS in ways that don't require travel or budgeting for events.
- We need to consider working with some of the smaller conferences, without creating our own events or creating new infrastructure. (more leverage, not more events)
- We need to take responsibility to deliver the PLMA content to our own customers
- There are different types of DR that are applicable for different customer classes: Regulated Utilities, Cooperatives. Need to address how to deliver content / exchange with Public Power.
- Travis Kabula (sp?) president and chair of NARUC PLMA should reach out to him. They have tasked a subcommittee to write a manual on DERs
- **9. PLMA-hosted Member Reception.** Reception was held at the Sand Bar, 40 S Ocean Blvd., Delray Beach, Florida
