

Position: Managing Consultant

Location: Boulder, Colorado

About Us: Tierra Resource Consultants (Tierra) is a clean energy and sustainability consulting firm specializing in energy, carbon, and resource management services for various clients across North America. Our five practice areas encompass strategy development, market and customer research, project and program delivery, impact and process evaluation, and sustainability services. We are seeking an enthusiastic and experienced Managing Consultant to support a variety of distributed energy resource (DER), energy efficiency, demand response, load flexibility, and sustainability projects.

Key Responsibilities: As a Managing Consultant, you will play a pivotal role in contributing to and managing key projects as part of our continued growth and success. Your responsibilities will include:

- Collaborate with clients to design and implement customized clean-energy strategies and programs.
- Conduct data-driven research to identify clean-energy opportunities and market trends.
- Support the delivery of innovative customer programs and energy projects.
- Deliver impact and process evaluation services and optimize customer experience.
- Contribute to business development initiatives and proposal writing efforts.

Qualifications: To excel in this role, you should possess the following qualifications:

- Bachelor's degree in engineering, environmental sciences, economics, sustainability, or other related field, with a preference for candidates with a master's degree or relevant certifications.
- Proven consulting experience with distributed energy resource (DER), energy efficiency, demand response, load flexibility, and sustainability projects.
- Strong quantitative and analytical skills.
- Exceptional verbal and written communication abilities.
- Proficiency in Microsoft applications (e.g., Excel, PowerPoint).
- Demonstrated ability to collaborate across multiple teams and manage multiple tasks.

Location: This position is based in our Boulder, Colorado office. Remote work or flexible working arrangements may be considered for the right candidate.

Compensation: The compensation package for this position is competitive and commensurate with experience. The range is \$105,000 - \$145,000.

Benefits:

- 401(k)
- Dental insurance
- Health insurance

- Life insurance
- Paid time off
- Parental leave
- Retirement plan
- Vision insurance

How to Apply: If you are passionate about making a meaningful impact in the fields of energy, sustainability, and resource management, and you meet the qualifications outlined above, we encourage you to apply. Please submit your resume and a cover letter detailing your relevant experience and why you are a strong fit for this position to recruit@tierrarc.com.

Equal Opportunity Employer: We are an equal opportunity employer and embrace diversity in our workplace. Employment decisions, including hiring, promotion, development opportunities, pay, and benefits, are made without regard to religion, age, gender, national origin, sexual orientation, race, or color. We adhere to all applicable federal, state, and local labor laws.
